

100% Canadian • 100% Audiologist-owned • 100% Independent

Clinical Audiologist Grande Prairie, Alberta

Soundwave Hearing Care has an opening for an Audiologist for a pediatric to adult caseload. This position is available as between 0.8 FTE to 1.0 FTE, depending upon the work/life goals of the successful candidate.

Soundwave Hearing Care is an audiologist-owned, private audiology practice with clinics in Calgary, Grande Prairie, High River, High Level, and Lethbridge. We provide diagnostic and rehabilitative services for the pediatric to geriatric caseload. Our audiologists enjoy providing a diverse range of services daily, including hearing instruments, FM systems, Tinnitus Retraining Therapy, Auditory Processing Disorders, and public-health diagnostic contracts. We also provide clinical leadership and supervision to students from several Canadian universities.

Our practice has been successfully built on medical and word-of-mouth client referrals. Our top priority is offering the highest quality of client care. We offer a supportive, collaborative environment where dynamic thinking and program development is encouraged. We emphasize continuing education and ongoing professional training as a central hallmark for our clinicians.

We offer a competitive compensation package, a comprehensive benefits plan, professional fee coverage, continuing education support, and a positive work environment, including a compressed work-week.

Qualifications

- Masters or Doctorate degree in Audiology—New graduates are welcome to apply
- Qualification for registration with the Alberta College of Speech-Language Pathologists and Audiologists (ACSLPA) and with Speech-Language & Audiology Canada (SAC)
- Enthusiastic and inquisitive clinician who enjoys contributing to a positive work environment
