

CAA's May is Speech and Hearing Awareness Month contest!

CAA wants to hear what you and your clinic are doing to promote *May is Speech and Hearing Awareness Month*. *May Month* is a fantastic opportunity to promote hearing and hearing healthcare and to let the world know what you and your clinic do best.

What do I do?

Simply provide CAA with a 250-500 word summary and photo of your May promotion, summarizing you or your clinic's activity.

What do I win?

All entries will be submitted into a draw for a **free CAA full membership (a \$225 value)** and **\$100** cash prize!

CAA will also include a brief write-up of all the May promotions entered into the contest in an article for ***Canadian Audiologist***. It's a great way to toot your own or your clinic's horn.
