

We are excited to announce that Sound Authority is expanding and we are looking for **Audiologists** to join our team at various locations across Canada. We strive to deliver high quality, cost effective hearing aid solutions across Canada. We are committed to providing the latest in hearing technology, delivering excellent personal customer service and serving our clients' needs with compassion and understanding.

Job Description:

Work requirements include basic diagnostic procedures and hearing aid selection, fitting and follow-up. Our practice emphasizes counseling and thorough, compassionate patient care. The ideal candidates will strive to provide the best outcomes for each patient.

Qualifications:

- ® Masters in Audiology from a recognized university program
- ® Current registration with the College of Audiologists and Speech-Language Pathologists is required
- ® Minimum 3 years clinical experience
- ® Ability to work independently with little supervision
- ® Well-developed clinical skills and demonstrated thoroughness, accuracy and attention to detail, and commitment to quality improvement initiatives

If you enjoy interacting with people and have the experience we are looking for, this may be the opportunity for you. Email your resume directly to info@soundauthority.ca. We thank you for your interest, but only candidates selected for an interview will be contacted. No phone calls please.
