

HearingLife Canada, Canada's largest network of hearing healthcare providers is seeking new and experienced Audiologists to work at our hearing healthcare centre located in Sidney, BC. This is a full-time and permanent position.

Candidates will be expected to provide a wide range of healthcare services in a dispensing practice setting. The ideal candidates must have a least 2 years' experience in providing hearing health care, a degree/diploma from a recognized educational institution, and be registered with BCASLPA (or eligible for registration with BCASLPA) and have an interest or experience in rehabilitative audiology including hearing aid dispensing.

We offer excellent compensation and benefits, including a competitive package and rates, a collegial team-oriented workplace, and excellent opportunities for advancement within a national organization. Compensation also includes participation in a profit-sharing plan. A moving allowance is negotiable.

We provide excellent work conditions, modern equipment and superior opportunities for continued professional growth.

Please e-mail your resume to kevinanderson@canhear.com or fax to 780-482-5217. We thank all applicants; however, only those selected for an interview will be contacted.
