

CLINICAL/DISPENSING AUDIOLOGISTS

Part Time or Full Time Vacancy in Moncton and Miramichi, NB

We are looking to add Audiologists to our growing business. Argus Hearing Center is a 36 year old independently owned dispensing Audiology practice that currently has two locations; Moncton and Miramichi. Our mission is to serve our patients by providing ethical comprehensive bilingual Audiology services backed by education and experience, in well-established hearing centers, with the ultimate goal of improving our patient's quality of life. It is our objective to respectfully guide our patients through the delicate process of diagnosis, counseling and the treatment of hearing loss and/or tinnitus, while making this experience as easy and positive as possible. It is also our responsibility to educate our patients, and the community as a whole, in regards to hearing loss and hearing protection. We pride ourselves in offering professional and knowledgeable hearing care services with a personal, friendly touch. Our current team is made up of 2 Audiologists, a factory trained hearing aid technician and a support team of 6 others. We predominantly work with the adult population, however we see pediatric clients as well.
