*Trust the experts who listen.*

This is more than just a career, it's your profession. It's what you do. It's who you are. And now you're looking for that perfect opportunity – one that's right for you. We have it!

***Hearing Institute Atlantic*** is looking for audiologists who want to make a difference in people's lives through better hearing. We are a well-established private practice looking to add dynamic, highly-skilled and caring professionals to our clinical dispensing team.

Opportunities right now are in rural Nova Scotia and we are looking for experienced clinicians to lead and develop new practices. An ability to market yourself, engage the communities and provide excellence in audiology care are critical to the success of this role. A solid understanding of business and an ability to motivate people are considered assets.

We are also looking for an audiologist to work in a busy ENT practice, to provide testing for a large caseload, in a fast-paced environment as well as tinnitus counseling and support. This position located in Dartmouth, NS will require an experienced audiologist that can liaise with the ENT doctors, fit hearing devices and has a passion for supporting tinnitus patients.
