

Clinical/Dispensing Audiologist

The mission of Helix Hearing Care is to promote a multidisciplinary clinical approach in the treatment and rehabilitation of hearing loss. To accomplish this goal, we utilize the most advanced technologies and the skills of highly trained, industry leading, hearing care professionals. With over 40 clinics in Ontario and Manitoba, and growing, we are committed to providing the utmost clinical Audiology healthcare services to the patients we serve.

As we continue to expand, we are looking to add additional clinical positions to our growing professional team in selected communities and towns.

We offer a dynamic flexible work environment that includes excellent support; on-going training through Professional Mentorship and CEU's as well as the most advanced technology to ensure our professionals can provide the finest quality healthcare available.

In addition, you will also enjoy the benefits of:

- The latest PC-based testing equipment
- Full marketing support and a unique customized patient database management system, including medical reporting and invoicing
- Competitive salary package
- Health and medical benefit program
- Relocation bursary (based on individual situation)
- Mentorship support for new/recent graduates

Qualifications we are interested in include:

- Master's degree or equivalent in Audiology
- Board Certification
- Dispensing experience an asset
- Valid driver's license is required for travel between locations

ADVANCED DIGITAL
HEARING CENTRE

Now under new management, by *Helix Hearing Care*

1) We currently have an opening for a Full-Time position in Rothesay and Moncton, New Brunswick.

The town of **Rothesay** is a suburb of New Brunswick's largest city, Saint John. Due to being located in the Kennebecasis River valley, Rothesay has a wealth of beach sites, public parks, wharves and hiking trails to explore. Boating is also a popular pastime on the Kennebecasis River. Rothesay has its own thriving commercial district and is just a short drive to Saint John's large retail centres. This close proximity also allows the residents of Rothesay to enjoy Saint John's many attractions, such as its historic sites, breweries, and the Saint John City Market.

Moncton is a city located in southeastern New Brunswick, northeast of Rothesay. It is the largest census metropolitan area in the province. Moncton is only a short drive away from Parlee Beach, and is within an hour's drive to the Fundy National Park and Kouchibouguac National Park. Moncton has its own rich community, boasting such attractions as the Moncton Market with over 130 local vendors. The city hosts a number of festivals and events throughout the year, such as the Mosaïq Multicultural Festival, the Codiac Music Festival, and the Atlantic Nationals Automotive Extravaganza.
