Audiologist

Government of Yukon, Health and Social Services

Enjoy working in a team setting providing clients from newborns to seniors with diverse hearing healthcare services

Location: Whitehorse

Closing date: October 29, 2015

Requisition: #8854

Pay rate: \$77,004 to \$88,964 per annum

Joining our hearing health team, you'll work with clients of all age groups while giving priority to early detection and intervention for children. Your excellent communication skills will be invaluable as you help clients understand hearing loss, their options to deal with it and what specialist medical interventions they have access to and can benefit from. You will be responsible for performing pediatric and adult diagnostic hearing assessments, selecting and dispensing hearing aids and providing aural rehabilitation and public education. You will determine the need for medical evaluation by a physician or otolaryngologist and will make; referrals to other professionals such as occupational therapists, physiotherapists, speech/language pathologists and agencies related to special education, childhood development and vocational rehabilitation services.

Essential Qualifications for the role of Audiologist:

- A Master's Degree in Audiology or Doctor of Audiology (AuD). Please submit a copy of your degree with your resume.
- Certification with Speech-Language & Audiology Canada (SAC) or equivalent.
- Experience conducting diagnostic assessments on individuals of all age groups.

Qualified candidates will be required to undergo a vulnerable sector record check.

Desired Knowledge, Skills and Suitability

- Excellent communication skills, including proficiency in written and spoken English.

- Effective interpersonal/organizational, case and time management skills.
- Experience with fitting hearing aids and with verification and counselling for all age groups.
- Ability to work independently and in a team.
