

## Clinical/Dispensing Audiologist

The mission of Helix Hearing Care is to promote a multidisciplinary clinical approach in the treatment and rehabilitation of hearing loss. To accomplish this goal, we utilize the most advanced technologies and the skills of highly trained, industry leading, hearing care professionals. With over 40 clinics in Ontario and Manitoba, and growing, we are committed to providing the utmost clinical hearing healthcare services to the patients we serve.

*As we continue to expand, we are looking to add additional clinical positions to our growing professional team in selected communities and towns.*

We offer a dynamic flexible work environment that includes excellent support; on-going training through Professional Mentorship and CEU's as well as the most advanced technology to ensure our professionals can provide the finest quality healthcare available.

In addition, you will also enjoy the benefits of:

- The latest PC-based testing equipment
- Full marketing support and a unique customized patient database management system, including medical reporting and invoicing
- Competitive salary package
- Health and medical benefit program
- Relocation bursary (based on individual situation)
- Mentorship support for new/recent graduates

Qualifications we are interested in include:

- Master's degree or equivalent in Audiology
- Board Certification
- Dispensing experience an asset
- Valid driver's license is needed for positions requiring travel between locations

Please see the following page for available positions.

A decorative graphic at the bottom of the page consisting of two overlapping wavy lines. The top line is dark blue and the bottom line is a lighter blue, creating a sense of movement and flow.
