— HEARING CLINIC —

Dispensing Audiologist (Greater Vancouver Area, British Columbia)

Join us and make a difference with the Precision Hearing team. Our thousands of satisfied customers have recognized our professionalism and exceptional client care over the last fifteen years in the Greater Vancouver Area.

Precision Hearing is excited to announce that we are expanding and is currently looking to add another experienced and licensed Audiologist to join our growing Team. As a multi-clinic organization currently with seven clinics in the Greater Vancouver Area, we are committed to providing the utmost clinical Audiology healthcare services to the patients we serve. We offer a dynamic work environment; excellent support, on-going training and the most advanced technology to ensure our professionals can provide the finest quality healthcare available.

As a hearing aid dispenser in a private practice you will have the satisfaction of maintaining your patient relationships from the initial consultation through to successfully fitting them with hearing aids. Fully supported by our customer service, marketing and administrative systems, you will be able to focus on your clients and their hearing health-care needs.

In keeping with our philosophy; our salary, benefits and vacation packages are very progressive, and based on experience and contribution. We encourage all suitably qualified applicants to email their resume and salary expectations to **careers@precisionhearing.co**. We thank all applicants; however, only those selected for an interview will be contacted.
