

### **Dispensing Audiologist in Durham Region needed**

Audiologist full time/part time required for well-established busy private practice with multiple locations, located just east of Toronto---short commute from Toronto.

Great opportunity for varied learning and work experience:

\* Full scope: Hearing tests; OAEs; ABR; APD; tinnitus; HA evaluations, dispensing, repairs.

\* Caseload: All ages, including newborns (Infant Hearing Program (IHP)).

\* Great Team: To work with 3 other Audiologists and a Hearing Instrument Specialist with full administrative support, and two ENTs.

Salary: Commensurate with experience
