

HEARING HEALTH CARE UNIT

SOUTHWEST NOVA LIMITED

Hearing Health Care Unit of Southwest Nova Limited is an independent, private practice hearing aid dispensing audiology practice, located in Yarmouth, Nova Scotia, serving the Tri Counties of Yarmouth, Digby and Shelburne. The owner is an Audiologist with over 25 years of experience.

Yarmouth is located in southwestern Nova Scotia and is the largest population centre in the region. Long connected to fishing due to its proximity to Georges Banks, it is in the heart of the world's largest lobster fishing grounds and as a result, it receives Canada's largest lobster landings each year.

We have a full-time position available for an Audiologist or equivalent.

Qualifications include:

- Master's Degree in Audiology or equivalent
- SAC certified
- Hearing aid dispensing experience is an asset

Job duties include some of the following and more:

- Hearing assessments for all ages
- Hearing aid evaluations
- Hearing aid fittings and counselling
- Hearing aid repairs
- Hearing services for Veterans Affairs, Workers Compensation, Social Services, etc.

If you love working with all age groups, a population of strong, earnest, hard-working, honest individuals, getting lots of smiles and the occasional hug, a comfortable work environment, the opportunity to be independent, a small town with gorgeous beaches, hiking trails, a performance arts centre, a chance to expand your own artistic abilities – this may be the position for you.
