

Audiologist

Government of Yukon, Department of Health and Social Services

Location: Whitehorse, YT

Requisition: #103351

Salary: \$77,004 – \$88,964 per annum

Are you an experienced hearing healthcare practitioner—and ready for a unique challenge? Yukon's Hearing Services branch is seeking a motivated and dynamic Audiologist to deliver professional audiological services to Yukon residents. Working independently under the direction of the Manager of Hearing Services, you will perform adult and pediatric diagnostic hearing assessments as well as select and dispense hearing aids. You will also be responsible for aural rehabilitation, public education and providing in-services to healthcare professionals.

If the idea of working in a small town environment appeals to you, where you can build strong relationships with your patients and enjoy the outdoors on your days off—we invite you to consider a career in Yukon.

Essential Qualifications

- Master's Degree in Audiology / Doctor of Audiology (AuD) from a recognized university (a copy of your degree must be submitted with your resume).
- Certification with Speech-Language Audiology Canada or equivalent.
- Experience conducting diagnostic assessments on individuals of all age groups, newborns to seniors.

Demonstrated Knowledge, Skills and Personal Suitability

- Excellent communication skills, including proficiency with written and spoken English.
- Effective interpersonal/organizational, case and time-management skills.
- Experience with fitting hearing aids, verification and counselling for all age groups.
- Ability to work independently and within a team.

Conditions of employment: Security Clearance with Vulnerable Sector; a valid Class 5 driver's licence

Job requirements: Periodic travel to Yukon communities.
