

IMAGINE YOUR LIFE'S WORK IN OUR PIECE OF PARADISE

Vancouver Island, BC

Island Health is looking for a Clinical Audiologist to join their Public Health team in Nanaimo.

With a family-centered focus, you will work as part of a team of audiologists and audiometric technicians to provide comprehensive audiological and amplification services, including diagnostics and treatment, with specialization in pediatric and special populations. As part of the multidisciplinary team, you will work in cooperation with other professionals, agencies, community members and groups to address hearing related needs of individuals, families and the community.

In this role, you will provide direct consultation and educational services to other professionals, community members and families and coordinates and implements community-based programs designed to promote optimal hearing and communication skills and increase community awareness. In addition, you will teach and supervise the Audiometric Technicians. Clients come from all areas in Central Vancouver Island, with some outreach clinics to outlying areas.

Desired Skills and Qualifications

Along with your Master's Degree in Audiology, you are registered with (or eligible) the College of Speech and Hearing Health Professionals of British Columbia (CSHHPBC). Your experience includes community audiology, pediatric audiology and experience in the selection, evaluation and fitting of hearing aids and Assistive Listening Devices (including FM equipment) is an asset. Travel is a requirement of this position.

NANAIMO - Affordable West Coast Living

The bustling City of Nanaimo is located on a harbour on the east coast of Vancouver Island, approximately 110 km north of Victoria, British Columbia's capital city. Boasting a diversified economy, the city is now a regional centre for technology, manufacturing, tourism, retail, health and government services. Nanaimo offers an attractive quality of life, with a relaxed island culture, friendly people and affordable housing. It is easily accessible by regular ferry service from Vancouver and by the Island Highway from Victoria. The Nanaimo Airport offers regular air service to Vancouver International Airport and the Nanaimo Seaplane Terminal provides facilities for seaplane flights.

About Us

With over 19,000 employees, 1,900 physician partners, and over 6,000 volunteers that give their time, skills and experience to our organization, Island Health is the largest employer on Vancouver Island.

Island Health has been selected as one of Canada's Best Diversity Employers for the third consecutive year plus we have been chosen as one of Canada's Greenest Employers for 2015!
