

Audiologist/Hearing Instrument Specialist

Full Time | Bow River Hearing | Calgary AB

Bow River Hearing is a privately owned full-service hearing healthcare provider with 4 locations in Calgary and Airdrie. For over 23 years Bow River Hearing has been committed to the highest standards in hearing diagnostics and patient care services. This commitment stems from our belief that hearing is essential to maintaining connections with those we love. We believe that everyone deserves to hear and live better, so we do everything we can to not only make a difference in the lives of our patients but also those within our community and the world.

This position offers an excellent career opportunity within a fun, friendly, and growing organization. We are looking for a passionate hearing provider who cares about their patients and is enthusiastic about community outreach. The ideal candidate will have demonstrated ability to conduct diagnostic assessments, experience in prescribing, dispensing and servicing hearing aids, strong counseling skills, and display excellent written and verbal communication and reporting skills. This is a permanent full time position

We offer:

- A competitive salary and compensation package,
- Professional fee coverage,
- Continuing education support
- Full health benefits coverage

In addition:

- We participate in various training and team building activities outside of Calgary (recent destinations include Las Vegas, Phoenix and Mexico)
- We offer additional paid holidays (i.e. week between Christmas and New Years Eve).
- Our commitment to our community and the world asks that you volunteer at:
 - o Various facilities for seniors and the less fortunate.
 - o Annual missions abroad to help those in 3rd world nations hear and live better.

Responsibilities will include:

The development of long term trusted relationships with our patients:

- Establish rapport and gather information from patients, conduct audiometric testing, and provide recommendations for hearing aids
- Program and fit hearing aids
- Oral rehab and follow up care
- Manage growth of patient pipeline
- Partner in community outreach and education

Qualifications:

- Skills in Vestibular; Cochlear and Tinnitus are a plus
- Excellent interpersonal skills
- Strong organizational skills
- Ability to prioritize and handle a high volume of patients
- Ability to work in a team environment
- Ability to maintain a positive and professional attitude
- Strong compassion, care and respect for patients

If your passionate about helping others and looking to join a fun and growing organization. Please send your resume to careers@bowriverhearing.com
