

Peel Audiology and Hearing Aid Services

FULL-TIME AUDIOLOGIST POSITION

We are a well-established audiologist owned clinic looking for a confident self-motivated Audiologist to join our team. We are looking for an audiologist to provide exceptional client based hearing care using best practice guidelines for both pediatric and adult patients. We provide a supportive, collaborative work environment.

About the Clinic:

We have been in Brampton for 20 years. We offer a full range of diagnostic and rehabilitation services to both pediatric and adult patients including: diagnostic audiological assessments, OAEs, ABR testing, hearing aid and FM fittings for all ages.

Responsibilities include:

- Comprehensive hearing evaluations for infants, children and adults
- Prescribing, fitting, programming, and verifying hearing instruments and accessories
- Counselling, follow up support, and care for clients and their families
- In clinic workshops for patients
- Participation in community outreach services

Qualifications, Skills, and Abilities:

- Experience testing infants and children.
- Experience dispensing hearing aids to an adult and pediatric population.
- Knowledge of hearing aids and programming software from major manufacturers.
- Excellent interpersonal and communication skills. Strong relationship building, counseling and follow-up skills are required for this position.
- Ability to work independently
- Registered in CASLPO and with ADP
- Fluent English, both written and spoken.

Salary Range: Salary will be commensurate with qualifications, experience, and performance. Please send resume and salary expectations to peelaud@bellnet.ca
