

**The Hearing Loss Clinic** has an award-winning service culture and an energetic and enthusiastic team. We are dedicated to providing excellence in patient care and service. We pride ourselves on being a great place to work. Our website says a lot about us, and we invite you to decide if we look like the type of place you can contribute ([www.hearingloss.ca](http://www.hearingloss.ca)). We are looking for a full-time (or part-time) Audiologist/ Hearing Aid Practitioner at our state of the art clinic in beautiful Cranbrook, British Columbia, Canada.

This is a tremendous opportunity for a career-minded hearing health superstar looking for flexibility and lifestyle. This individual will be a key member of our local leadership team, and the face of our local practice. You will be able to develop a loyal patient base. We expect you would have a Master's Degree in Audiology or AUD certification. Must be eligible for British Columbia licensing. Salary commensurate with experience. We are prepared to sponsor the right international candidate (and family) for Canadian immigration.

Cranbrook is in the heart of the Canadian Rocky Mountains, surrounded by lakes and beaches. It is the outdoor lover's paradise with golfing, skiing, boating, hiking, hunting, fishing, and camping. It is the regional hub of commerce, entertainment and healthcare. Its economic base is comprised of forestry, mining, the Canadian Pacific Railway, service and supply industries, transportation, manufacturing and ever increasing tourism. There are great schools and this is a wonderful place to raise a family.

Qualified candidates should send a resume and cover letter, in confidence to:
