

Nova Scotia Hearing and Speech Centres

Posting Number **A0416** (Please quote this number on your application along with subject line of email)

This is a NSGEU Bargaining Unit position.

Start Date – January 2, 2017

End Date – December 28, 2018

Audiologist Department of Audiology Sydney Mines

Nova Scotia Hearing and Speech Centres (NSHSC) is a program of the provincial Department of Health and Wellness. Established in 1963, NSHSC works to prevent and reduce the impact of communication disorders for Nova Scotians.

We are proud to offer:

- ✓ A nationally accredited program with SAC
- ✓ A Province-wide support network of professional colleagues, clinical resources, and coordinated clinical services
- ✓ Varied caseloads and work settings
- ✓ Salaries (full time) commensurate with experience [starting at \$70,444], and excellent benefits package
- ✓ Continuing education opportunities
- ✓ Opportunities for relocation and clinical specialization

We are accepting applications for the **temporary, full-time (1.0 fte) position of Audiologist**. The Home Base Site is in Sydney Mines. The successful candidate reports to the assigned Manager. Schedule to be determined. **Successful candidate may be able to access up to \$5,000 in bursary.**

Requirements:

- Master's Degree in Audiology.
- SAC certification or eligible for certification
- Excellent communication skills, including proficiency in written and spoken English. If English is not your first language further documents will be required.
- Experience with hearing aid verification and validation
- Experience with provision of pediatric and adult audiological diagnostic and management procedures in acute and outpatient settings
- Recent knowledge of discipline specific best practices in screening, diagnostic and rehabilitative audiology services
- Knowledge of discipline specific best practices in assessment and early intervention of young children with developmental disabilities
- Excellent interpersonal / organizational skills
- Demonstrated commitment to family-centered care
- Flexibility in work schedule to support outreach/parachute services
- Flexible to travel on occasion to attend continuing education, events and/or meetings
- Candidates will have to demonstrate current immunization and/or boosters by the end of the probationary period

Assets:

- Experience working with transdisciplinary clinical teams and working with supportive personnel (e.g., Communication Disorder Technicians)
- Occupational Health and Safety Training

To apply, please submit your application (including resume, cover letter and three references), to:
