

Clinical/Dispensing Audiologist OR Hearing Instrument Specialist - Maternity Leave - 1-year contract

McNeill Audiology, Vancouver Island

Financial assistance for relocation from within the Western provinces is available. At McNeill Audiology, we are committed to providing the utmost clinical hearing healthcare services to the patients we serve. Advanced hearing solution technology ensures our audiologists will find the optimum choice to best suit individual hearing loss and lifestyle.

We are looking to add additional clinical positions to our professional team in selected communities and towns, including the VICTORIA/SIDNEY B.C. region. This position will be between the Sidney and Victoria clinics.

*This role is a Maternity Leave contract of 1 year's duration.

Come to Canada's warmest Capital and leave the snow behind!

We offer a dynamic flexible work environment that includes excellent support; on-going training through Professional Mentorship and CEU's as well as advanced technology to ensure our professionals can provide the finest quality healthcare available. In addition, you will also enjoy the benefits of

- Full marketing support and a unique customized patient database management system, including medical reporting and invoicing
- Competitive salary package
- Day 1 Health and medical benefit program
- Relocation bursary (based on individual situation)

Qualifications we are interested in include:

- Relevant education in Audiology, or as an HIS.
- Certification to practice on Day 1
- Dispensing experience an asset

Job Type: Full-time 1-year contract
