Hearing Instrument Specialist

HEARING SOLUTIONS has been providing Audiology and hearing aid services to the public since 1996. We currently have 24 clinics and thousands of satisfied customers across Ontario as a result of our professionalism and exceptional devotion to quality customer care. We are proud to have earned a reputation for the warm yet highly professional environment we maintain in our clinics.

We are currently seeking a Hearing Instrument Specialist for established clinic in East GTA.

As part of our organization, you will have an opportunity to learn and use the latest industry techniques and technology as well as be supported with continued professional education, training and growth. As a Hearing Instrument Specialist in private practice, you will have the satisfaction of maintaining patient relationships from the initial consultation to the successful resolution of their hearing challenges through counselling, dispensing of hearing aids and continued follow up care. Fully supported by our well trained customer service, marketing and administrative teams, you will be able to focus on your patients and their hearing health-care needs. You will also enjoy the rewarding feeling of watching the clinic grow under your stewardship. Maintaining the highest standards of professional competency while providing a level of patient care that is second to none is the very essence of our business philosophy.

Key Qualifications:

- Hearing Instrument Practitioner certification
- Licensed (or eligible for licensing) by AHIP as well as ADP
