Posting Number **A0217** (Please quote this number on your application along with subject line of email)

This is a NSGEU Bargaining Unit position.

Start Date – As soon as possible

POSTING CLOSES: Open until filled

Audiologist Department of Audiology Halifax

Nova Scotia Hearing and Speech Centres (NSHSC) is a program of the provincial Department of Health and Wellness. Established in 1963, NSHSC works to prevent and reduce the impact of communication disorders for Nova Scotians.

We are proud to offer:

- ✓ A nationally accredited program with SAC
- ✓ A Province-wide support network of professional colleagues, clinical resources, and coordinated clinical services
- ✓ Varied caseloads and work settings
- ✓ Salaries (full time) commensurate with experience [starting at \$70,444], and excellent benefits package
- ✓ Continuing education opportunities
- ✓ Opportunities for relocation and clinical specialization

We are accepting applications for the **regular, part-time (0.5 FTE) position of Audiologist**. The Home Base Site is the NSHA QEII Dickson Building. The successful candidate reports to the assigned Manager. Schedule to be determined.

Requirements:

- Master's Degree in Audiology.
- SAC certification or eligible for certification
- Excellent communication skills, including proficiency in written and spoken English. If English is not your first language further documents will be required.
- Experience with provision of adult audiological diagnostic and management procedures in acute and outpatient settings
- Knowledge of discipline specific best practices in screening, diagnostic and rehabilitative audiologic services
- Experience with hearing aid verification and validation
- Familiarity with BAHD systems including evaluation, counseling, fitting and troubleshooting
- Demonstrated commitment to family-centered care
- Excellent interpersonal/organizational skills
- Candidate will have to demonstrate current immunization and/or boosters at the end of the probationary period

Assets:

- Experience working with transdisciplinary clinical teams and working with supportive personnel (e.g., Communication Disorder Technicians)
- Experience in providing student supervision
- Ability to provide consultation and coaching support to Audiology staff
- Ability to provide bilingual clinical services

To apply, please submit your application (including resume, cover letter and three references), to:
