

**Clinical Supervisor in Audiology  
School of Communication Sciences and Disorders**

The School of Communication Sciences and Disorders of the Faculty of Health Sciences at Western University invites applications for an externally-funded faculty position for 3 to 5 years (potential for renewal) at the rank of Lecturer or Assistant Professor. Rank and salary will be commensurate with the applicant's qualifications and experience. This academic position will serve the role of Clinical Supervisor in Audiology. Duties include conducting student practicum education, training and supervision in Audiology, being a mentor to students for clinical education and training, carrying a general caseload of assessment and treatment of hearing disorders in children and adults, teaching clinical aspects of Audiology, managing clinical resources, completing administrative duties associated with clinical practicum, and undertaking service within the School and Faculty.

Candidates must hold at least a Master's degree in Audiology or Doctorate of Audiology (AuD) and hold or be eligible for licensure by the College of Audiologists and Speech-Language Pathologists of Ontario. Essential qualities of applicants include substantial experiences supervising students, strong interpersonal and organizational skills, and current knowledge of professional practice guidelines and standards. Preference will be given to candidates with at least eight years of professional experience in Audiology involving a general caseload.

The School of Communication Sciences and Disorders offers Masters of Clinical Science degrees in Audiology and Speech-Language Pathology, and participates in the Graduate Programs of Health and Rehabilitation Sciences (HRS). The HRS Program hosts Canada's only combined clinical-research degree (i.e., MCIsc-PhD) in Audiology and Hearing Science. The School maintains the research-oriented H.A. Leeper Speech and Hearing Clinic, which includes the provincially funded tykeTALK and Infant Hearing Programs. Within Audiology, specialized clinical services include infant assessment and assistive device fitting, pediatric amplification, aural rehabilitation, and geriatrics. Within Speech-Language Pathology, the clinic provides specializations in preschool speech and language, speech and language disorders in school-age children, and adult and adolescent voice, fluency, and acquired neurogenic communication disorders. The Faculty of Health Sciences also is the home to the internationally acclaimed National Centre for Audiology, a major hearing health care research facility.

Western University delivers an academic experience second to none. Western challenges the best and the brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, to influence and to lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to serve better our communities.

The anticipated start date of the appointment is July 1, 2017 or as negotiated. Interested applicants should submit an Application for Full-Time Faculty Position form available at <http://www.uwo.ca/facultyrelations/faculty/Application-FullTime-Faculty-Position-Form.pdf>, a letter of interest/statement outlining academic qualifications, relevant clinical, student supervision, research, teaching, and administrative experiences together with a curriculum vitae and the names, addresses, and contact information of three referees to:

Dr. Laura Murray, Professor and Director  
School of Communication Sciences and Disorders  
Room 1510 Elborn College  
Faculty of Health Sciences, Western University  
London, Ontario N6A 1H1
