

Audiologist | Toronto, Ontario

One year in the Canadian market, hear.com is rapidly growing and is looking for an **Audiologist** who wants to jump in head-first and help build a market leader experiencing explosive growth. You will contribute directly to the massive development of our company by acting as one of our main points of contact for our customers as well as our business partners. You have direct impact in shaping and growing our company and therefore direct responsibility for our team's success.

hear.com, the leading innovator in providing modern hearing health care, is looking for driven individuals to join our Canadian team. We use the most advanced online marketing technologies, free high quality phone consultations and a strong service-orientation. Our mission is to bring cutting edge medical technology to people with hearing difficulties all over the world by transforming the perception of hearing aids from an unwanted disability solution to a discreet, state-of-the-art communication device.

Your day-to-day:

- Provide knowledge and in-depth counseling on hearing loss and modern hearing aid technologies via telephone and video
- Establish rapport with both the young, online-savvy customer as well as the partnering provider location
- Develop individualized solutions based on the specific hearing loss of the customer
- Counsel and provide educational training on usage, care and operation of hearing devices

What do you bring to the table? You...

- Hold a Master's Degree in Audiology (or equivalent)
- Be licensed by CASLPO as well as ADP
- Have maximum customer orientation and professionalism in everything you do
- Are able to communicate technical information clearly, accurately and concisely
- Have good problem solving skills and are well structured and self-organized
- Have strong Customer Service and telephone skills
- Know your way around a PC and web-based software

Why hear.com?

- Play a key role in defining the standard of care in the hearing device market
- Innovate and collaborate alongside an international team of experts
- Energetic, fast-paced environment based on flat hierarchies
- Invigorating team spirit: We enjoy being together both in & out of the office
- Competitive salary and benefits package as well as regular team events

Interested candidates should forward their resumes by August 31st, 2017 to:

hr-ca@hear.com

We appreciate your interest, however only those selected for an interview will be contacted.

hear.com is also committed to providing accommodations for people with disabilities. If you require an accommodation, we will work with you to meet your needs.
