

Audiologist Sudbury, Ontario

Are you ready for a true Canadian experience? If so, The Canadian Hearing Society has a unique opportunity for you! We are seeking a dynamic audiologist for our Sudbury location.

As a member of our provincial network of audiologists, you will assess hearing, prescribe and dispense hearing aids and follow up care; provide tinnitus consultations and aural rehabilitation sessions. This position allows you to work in conjunction with a hearing healthcare team to deliver comprehensive services to Culturally Deaf and Hard-of-Hearing clients.

This is a full-time position with a minimum starting salary of \$77,794.13 per annum. CHS offers a comprehensive benefits package including health, dental and life insurance and a pension plan.

ABOUT CHS

Trusted since 1940, the Canadian Hearing Society is the largest non-profit provider of services, products, and information that remove barriers to communication, advance hearing health and promote equity for people who are Deaf and hard of hearing.

CHS is redefining and transforming itself for the future by utilizing its core strengths to find new ways to deliver innovative, value-added solutions and services that allow CHS to grow profitably.

Unique in North America, CHS offers a complete roster of essential services:

- *Hearing Healthcare Services* – hearing tests, hearing aid sales, support for people living with hearing loss.
- *Education Programs* – sign language instruction, literacy training, information and public awareness.
- *Employment Consulting* – assistance with job search, employment support, employment resources.
- *Counselling Services* – outreach and counselling to older adults, general and mental health counselling, addiction and court diversion services, outreach to children, youth and families.

- *Accessibility Services* – ASL and LSQ interpreting, Communication Access Real-time Translation, “CART”, communication devices, workplace accessibility consulting, conference accessibility coordination, video conferencing.

The largest agency of its kind in Canada, CHS employs approximately 350 people who deliver programs through a network of 25 offices across Ontario. All services are provided by professionals experienced in meeting client needs in an accessible, confidential environment. CHS’ national advocacy initiatives and partnerships further the organization’s goal of removing communication barriers and promoting equity for its consumers.
