CLINICAL/DISPENSING AUDIOLOGIST: FULL TIME

North Bay Audiology clinic is a 31 year old independently owned dispensing audiology practice. Our goal is to provide client-focused hearing health care. Our dynamic team strives to meet the individual needs of our clients through the recommendation of excellent quality hearing instruments and assistive listening devices. We endeavour to ensure the long-term satisfaction of our clients through ongoing post-fitting technical and personal support.

RESPONSABILITIES

- Provide a high standard of patient focused care throughout the entire rehabilitative process.
- Administer comprehensive audiological assessments on patients of all ages.
- Utilize excellent communication skills to counsel and outline treatment options to clients with hearing loss.
- Prescribe, select, fit and verify appropriate hearing instruments and assistive listening devices on a predominantly adult population.
- Perform earmold impressions and minor hearing aid repairs.

QUALIFICATIONS, SKILLS & EXPERIENCE:

- Master's Degree in Audiology.
- Current or eligible registration with the Ontario College of Speech Language Pathologists and Audiologists (CASLPO)
- SAC certified.
- Must possess strong interpersonal skills and be able to work independently as well as part of a team.
- Must have strong organizational skills and be able to prioritize.
- Must have good knowledge of audiological software.
- Must possess a high level of professionalism and be able to adhere to the clinical principles and standards of the clinic.

- **Bilingualism and clinical/ dispensing experience an asset.**

WHAT WE HAVE TO OFFER:

- **Clinical environment with a friendly dynamic team that focuses on hearing health care excellence.**
- **Value our team members and offer flexibility in meeting their employment needs.**
- **Continuing education opportunities.**
- **Progressive salary, benefits, and vacation packages based on experience and contribution.**
