### Clinical Audiologist Permanent Full Time – Prince George, BC

Under the direction of the Audiology Program Lead, the position provides clinical auditory services to infants, children and youth using standard diagnostic and treatment procedures; and provides consultative and educational services to professionals and the community.

To be successful, you must have a Master's degree in Audiology from a recognized university program, licensed to practice by the College of Speech and Hearing Health Professionals of B.C. or an equivalent combination of education, training and experience. Must also have a current valid Class 5 B.C. Driver's License and access to personal vehicle for business related purposes.

---

#### Check out what else you can expect by choosing Northern Health!

- Generous relocation packages for difficult to fill positions
- Northern living allowance in rural communities
- Great benefit packages and pension
- Unmatched work-life balance
- Affordable housing prices in most of our communities
- Four season, endless outdoor adventure

Offered through the Federal and BC Government "Loan Forgiveness Programs", see our careers site for more information and eligibility.
