The Jervis Bay Hearing Centre is located on the NSW South Coast, 2.5 hours from Sydney and Canberra, operating from purpose built premises in Vincentia and Ulladulla. The centre was started 15 years ago by Alison Chiam, the current Practice Principal and Audiologist. The Jervis Bay Hearing Centre is a highly regarded practice that is focused on integrating hearing solutions with human dynamics and wellness.

Senior Audiologist

If you are an experienced Audiologist looking a long term position in a stunning beachside location with a supportive and experienced team then we have a great opportunity for you. Due to the growth and success of our hearing centres we are seeking a motivated person to take a leadership role within our clinical services as Senior Audiologist.

Would you like to:

- Be a part of a team of highly skilled clinicians who value quality and service in a supportive environment with great staff, systems and processes?
- Deliver services which include Paediatrics, Cochlear and BAHA Implants, Tinnitus and Hyperacusis Retraining Therapies and Hearing Rehabilitation Programs?
- Maintain high quality services and standards, with no sales targets or commissions, in a highly desirable beachside location?
- Work in a fully integrated clinic, purpose built facilities with support for continuing education?

This position offers both lifestyle and professional challenge.

We are seeking an experienced audiologist with a strong clinical background who is a great communicator and problem solver. As an experienced rehabilitation Audiologist you will also be a member of Audiology Australia with a current Clinical Certificate. Our ideal candidate will have a commitment to becoming a crucial member of the team with a long term vision to support the future growth of the hearing centres.

Register your interest in confidence by submitting your application to alison@jervisbayhearingcentre.com.au Looking forward to hearing from you.

Please submit your resume to alison@jervisbayhearingcentre.com.au.

See you in Australia!
