

Audiologist

Waitemata District Health Board

North Shore and Waitakere Hospitals
Auckland, New Zealand
Full or Part-time Hours

Seize this wonderful opportunity to join us in New Zealand's largest city where everyone lives within half an hour of beautiful beaches, hiking trails and many captivating islands.

Working across North Shore and Waitakere Hospitals you will provide efficient, effective and safe diagnostic and rehabilitative audiological services to adults.

At Waitemata District Health Board we require a Permanent Audiologist to join our supportive and professional team providing smooth day-to-day operation of the Audiology department to work with a small team. Full time or Parttime roles are available.

Essential:

Masters of Clinical Audiology (or equivalent)

Desired:

- Experience with adult hearing aid fittings
- Ability to work independently and are self-motivated
- NZ Audiological Society qualification (CCC's qualification)

So if you want to benefit from an exceptional lifestyle and enjoy working as part of a friendly and supportive team, we look forward to receiving your application.

We are committed to offering you the opportunity to do something you love, with the right support to career paths and training and development through your merits. This is an environment where you have accountability for your career and are able to make a real contribution to the organisation and to our patients
