

Audiologist

- looking for an opportunity to emigrate to New Zealand?
 - Auckland or Waikato locations

Wolfe Hearing is a family-owned, boutique-style professional practice with clinics in several locations in the upper half of the North Island of New Zealand (Hamilton, Cambridge, Te Awamutu, Pukekohe and Papakura). We're very proud of our independence, as it enables us to provide objective advice to our customers—we're not captured by any particular manufacturer of hearing aids. We care a great deal about our customers and our staff, and we're sure this is why we've been so successful.

We're looking for a qualified audiologist to lead our practice in either in Auckland or the Waikato. We'd like to find someone with the seniority, drive and determination to grow the business, and we're open to putting together a remuneration package that reflects your contribution to the business. We'll also give you the space to develop in a professional sense, such as working more closely with other health professionals such as paediatricians and ENT surgeons, or working in our specialised clinics (we currently run clinics in tinnitus management, balance, central auditory processing and paediatrics). Naturally, we'll also meet the reasonable costs of relocation from Canada to New Zealand.

If you're at a point in your career where you're looking for a new challenge in a fresh location, then why not consider us?. Please register your interest with our HR consultant, David Gray (david@davidgray.co.nz).
