

Audiologist

Misericordia Community Hospital- Edmonton, Alberta
Regular Part Time; FTE: 0.50

Date closed: August 20, 2018
Salary range: \$41.58-\$55.25/Hr
Requisition number: **COV00006066**

Responsibilities:

The Audiologist is part of an interdisciplinary quality system driven clinical research team. The incumbent is responsible for identification, assessment and management of patients with hearing disorders, clinical guidance of other staff members, development and maintenance of databases related to clinical and research activities, development of educational materials and programs for families, other professionals and the community. Participation in scholarly activity, including research, and performing other related duties. The Audiologist will have the opportunity to grow their practice in a leading edge, fast paced, patient focused clinic and make a significant contribution to the ongoing development of the Bone Conductions Amplification program. The Audiologist performs diagnostic assessments including auditory processing evaluations.

Qualifications:

- Masters Degree in Audiology is required.
- Registration without restrictions with the Alberta College of Speech-Language Pathologists and Audiologists (ACSLPA) required.
- Completion of specialized courses and training applicable to areas of specialty in clinical, educational and/or research fields preferred.
- More than 5 years of experience preferred.
- Experience with all age groups including infants considered an asset.
- Research experience preferred.
- Previous work experience or special interest in Osseo integrated Implants for Bone Anchored hearing systems would be an asset.
- Experience with fitting, verification and validation of amplification.
