

In recent years, a career in Audiology has been increasingly described as a top lifestyle profession... But, can you imagine practicing your gift (only world-class clinicians and customer servants need apply), with a top employer of choice, located in one of the most truly beautiful places in the world to raise a family and enjoy spectacular year-round outdoor lifestyle pursuits?

The Hearing Loss Clinic has an award-winning service culture and an energetic and enthusiastic team that leads with heart. We are dedicated to providing excellence in patient care and service. We pride ourselves on being a great place to work, surrounded by a collaborative team committed to the ultimate patient experience. We are currently looking for a **full-time Audiologist/Registered Hearing Aid Practitioner** at our state of the art clinic in beautiful **Cranbrook, British Columbia, Canada**.

This is a tremendous opportunity for a **career-minded hearing health superstar** looking for **flexibility and lifestyle**. This individual will **be a key member of our local team**, and will be able to develop a loyal patient base. We expect you would have a **Master's Degree in Audiology or AUD** certification or a **Hearing Aid Practitioner Diploma**. Must also be eligible for British Columbia licensing. We are prepared to sponsor the right international candidate (and family) for Canadian immigration.

Cranbrook is in the heart of the Canadian Rocky Mountains, surrounded by lakes and beaches. It is the **outdoor lover's paradise** with golfing, skiing, boating, hiking, hunting, fishing, and camping and much more. It is the regional hub of commerce, entertainment and healthcare. Its economic base is comprised of forestry, mining, the Canadian Pacific Railway, service and supply industries, transportation, manufacturing and ever increasing tourism. There are great schools and this is a wonderful place to raise a family.

Qualified candidates are encouraged to send a resume and cover letter, in confidence to:
