

AUDIOLOGIST – HEARING FREEDOM – OTTAWA (MANOTICK), ON

Offering Audiology services to the people of Ottawa since 2001, Hearing Freedom is a growing independent clinic looking to add an excellent Audiologist to its team!

The ideal candidate is seeking a long-term, Part or Full Time (2-4 days per week), Dispensing Audiology position in an Independent Clinic where all makes and models are carried. All applicants must have a Master's or Doctorate degree in Audiology and must be registered and in good standing with CASLPO. A minimum of 1 year of experience as an Audiologist, some of which should be in the dispensing field, is preferred. Fluent Bilingualism (French and English) is favoured. A vehicle and a valid driver's license are required. Applicants should be able to tailor the intervention plan to each patients' unique needs and should apply evidence-based practices for both their assessments and rehabilitative work. The successful candidate has strong interpersonal skills, is flexible, enthusiastic, motivated, hardworking and driven.

Hearing Freedom offers a competitive compensation package, health benefits, professional development support and a great learning environment.

Hearing Freedom is owned and operated by Rosanne McNamee (Lavallée), a Doctor of Audiology who has sat on the CASLPO board and taught Audiology at the University of Ottawa.

Hearing Freedom is nestled in the beautiful quaint village of Manotick, a south end suburb of Ottawa near the Historic Rideau Canal.
