Clinical Audiologist Opening in Saint John, NB

We are an independently owned hearing clinic with locations in both Saint John and Hampton, NB. We are looking to hire a self-motivated and independent Audiologist for a full or part-time position. Ears 4 You has been a long-standing staple of the Saint John hearing healthcare market, serving patients in the entire South-West region of New Brunswick from St. Stephen to Sussex.

Our clinic is in a drop in friendly location so that means a clinician must be able to adapt to schedule changes at times. We service many different styles, brands, and ages of hearing aids. The experienced front office staff will manage scheduling and do everything they can to assist with drop ins.

We have a full diagnostic suite for audiological testing, including Tympanometry and the standard hearing test battery. Hearing aid verification is performed with the latest technology from Audioscan, as verification of new fittings is mandatory. Cerumen management equipment is also available for those who have completed the required training, however is not a requirement.

Whether you are a new graduate or an experienced professional, Ears 4 You wants to hear from you.

Responsibilities include but not limited to:

- Conducting hearing evaluations
- Selection and programming of hearing aids
- Ability to test hearing using a variety of equipment such as audiometers, tympanometers, and verifits
- An understanding of various manufacturers' software and Noah
- Follow up consultations and adjustments
- Attend to both scheduled and walk in appointments
- Maintain client records
- Fill out medical paperwork when required
- Work in a team environment as well as work well independently

Benefits:

Health and dental
Competitive compensation package to be discussed
Salary to be determined based on experience
Help with relocation expenses if necessary

Qualifications:

- Masters degree in Audiology
- Member with NBASLPA
- Exceptional verbal and written communication skills
- New graduates welcome to apply
