
Full or Part-Time Audiologist

Elgin Audiology Consultants is seeking a full or part-time Audiologist to join our Stratford, ON office. We are an independently owned and established audiology practice with multiple clinic locations in Southwestern Ontario. Our entire professional team strives to provide optimal care in a warm, honest and friendly clinical environment. We provide full diagnostic audiological assessments for children and adults, rehabilitation, hearing aid services, auditory processing assessments, ENT clinic testing, as well as Balance and dizziness evaluations for all age groups. We are a regional provider for the Ontario Ministry's Infant Hearing Program.

Requirements:

- CASLPO registered Audiologist eligibility
- Experience with hearing aid prescription and dispensing
- Ability to become an ADP Authorizer

Benefits:

- Competitive Salary and Benefits based on experience
- Excellent work Environment
- Flexible hours with work-life balance & no monthly quotas
- Stratford repeatedly ranks as one of the top 10 small cities to live in Canada

Please consider applying for this position if you want to make excellent patient care your priority. Interested candidates are invited to send their resume and cover letter to contact@elginaudiology.com. We appreciate all applications, but only individuals contacted will be offered an interview.

Elgin Audiology welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in the selection process. Elgin Audiology is an equal opportunity employer.
