Every person matters

We are looking for our newest Pediatric Audiologist Kelowna, BC

In this position, the Pediatric Audiologist practices in accordance with the standards of professional practice and code of ethics as outlined by the College of Speech and Hearing Health Professionals of BC (CSHHPBC). This role offers the Pediatric Audiologist opportunity to practice in a public health care setting that encompass clinical audiological screening, assessment, diagnostic, treatment, and dispensing amplification equipment; technical services; and supervision of Audiometric Technicians. Client population ranges from newborn to 19 years of age and health promotion activities include liaison, counselling and educational sessions with clients and their families, as well as community partners and professionals. Practice is in collaboration with the [BC Early Hearing Program](#); a program that is ranked as one of the best in the World. With this opportunity is the benefit of sharing clinic space with a second Pediatric Audiologist located in the Kelowna Health Centre.

Interior Health offers:

- A continuous learning environment.
- A practice consisting of a diverse client population and interesting cases.
- Recognition of previous experience in determining starting salary.
- Substantial Relocation Allowance to support moving expenses.
- Job security and annual remuneration increment increases.
- Excellent extended health & dental plans; 100% employer paid.
- Generous vacation entitlement.
- Pension Plan with both employee and employer contributions.
- A workplace within walking distance of Okanagan Lake and downtown Kelowna.

Qualifications:

- Graduation from a recognized Audiology Program.
- Active registration with the College of Speech & Hearing Health Professionals of BC as both an Audiologist and a Hearing Instrument Practitioner.
- Sound interpersonal skills and ability to liaise with Physicians and other stakeholders.
