## **VANCOUVER HEARING CENTRE**

A full-time permanent position for a clinical Audiologist is available at the Vancouver Hearing Centre starting June 17, 2019.

The Vancouver Hearing Centre provides a full range of diagnostic and rehabilitative services for pediatric and adult patients. We focus on Aural Rehabilitation and Amplification using a patient-centred care model.

Our clinic is staffed by six Audiologists who collaborate in a dynamic atmosphere.

Responsibilities include diagnostic testing, hearing-aid evaluations, fittings, counselling and follow-ups for all age groups.

We value individuals having at least two-years professional experience fitting both children and adults with a wide range of hearing-aid manufacturers.

### **Qualifications and Skills:**

- Masters Degree in Audiology (minimum)
- College of Speech and Hearing Health Professionals of B.C. License (in good standing)
- Excellent problem-solving and critical-thinking skills
- Ability to work independently and as part of a team
- Detail-oriented with exceptional record-keeping skills

Resumes will be held in confidence.

Please forward resume to:
