

Come and join our innovative team of hearing professionals! We provide diagnostic, rehabilitative and preventative services for patients of all ages. Our focus is on amplification, aural rehabilitation and superior patient care.

This is an exceptional opportunity to grow your career through running your own clinic under the guidance and mentorship of an experienced team including a Doctor of Audiology. We are a family-run clinic, with a proven system for effective patient care and clinic growth. The Ossicle brand stands for innovation and integrity with positive values that drive everything we do. Without the pressures of corporate chains, you can thrive in a healthy, positive, constructive, and exciting clinical environment.

We have just moved into our new clinic space, with high end equipment, full support and few to no clerical duties and are seeking a driven, independent, people-oriented, organized Audiologist or Hearing Instrument Practitioner who takes pride in their work, truly goes the extra mile for patient care and loves their profession.

The Position

The position would be strictly clinical with minimal to no administrative duties. You will have the support of a front-desk Patient Care Coordinator. The successful candidate is familiar with all clinical testing protocols, is responsible for full provincial certification, and is motivated to prescribe and fit hearing aids as well as introduce other treatments in collaboration with clinical leadership. The population includes mostly adult and geriatric as well as some paediatric patients. The successful candidate is self-motivated and independent with the ability to network in the community to support the community outreach mandate. The position offers professional freedom, self-management and great growth potential with significant up-front income. Start date is immediate with training provided in Fort McMurray on site.

The Location

The location is in Fort McMurray and offers some of the best civic services in western Canada. It boasts the largest recreation centre, lots of community events, concerts, sports events and whereas winters are Canadian, summers are hot. The population has a large proportion of Maritimes and is a warm, inviting and fun place to live. With clinical freedom, full administrative supports (billing, back office financials, marketing, etc.), significant compensation and a brand-new office and consistent patient load with high end equipment, this is the best opportunity for a clinician who wants a career not a job.

The Process

Compensation to be discussed with successful applicants, please submit your income expectations with a cover letter, CV and transcripts (if graduated within the last 6 years) with a minimum of two industry related and/or educational references to apply. Applications are confidential we will not contact your current employer without consent from the applicant. IF YOU ARE AN INTERNATIONAL APPLICANT, PLEASE ONLY APPLY ONCE YOU HAVE YOUR CANADIAN WORKING PAPERS IN ORDER AND CAN BE A MEMBER OF ACSLPA OR CHAPA.

Send applications to info@ossiclehearing.com.
