

***The Calgary Ear Centre*** is seeking a dynamic and motivated **Clinical Audiologist**.

This full or part-time position offers an excellent career opportunity within a fun, friendly, multidisciplinary organization.

***The Calgary Ear Centre*** is the first multidisciplinary collaborative organization working with otolaryngologists in Canada to treat hearing loss under one facility.

The key qualifications for the candidate will have a masters degree in audiology, a membership with the Canadian Association of Speech Language Pathologists and Audiologists (CASLPA), and the Alberta College of Speech Language Pathologists (ACSLPA).

The ideal candidate will have:

- demonstrated ability to conduct diagnostic assessments
- experience in prescribing, dispensing and servicing hearing aids
- strong counselling skills
- ability to work independently in a collaborative working environment
- display excellent written and verbal communication and reporting skills

We offer a competitive compensation package, professional fee coverage, continuing education support, and a comfortable working environment. A Health benefit package is also included. We are looking for a Doctor of Audiology, or Clinic Audiologist, preferably with experience dispensing hearing aids in a private practice environment. A fast paced collaborative team approach at CEC is expected in order to provide optimum hearing healthcare to our valued clients. Please submit resume to:
