Marco Hearing Health Centre is an independently owned, private practice audiology clinic in beautiful Cape Breton, Nova Scotia. We are a patient centered clinic that endeavors to provide the best in product and the best in client service. We have a great Team and a wonderful work environment.

Marco Hearing Health currently has 3 Audiologists and 2 Hearing Instrument Specialists in the Sydney Clinic. We offer diagnostic audiological assessments including OAE and ABR Testing. Marco Hearing also provides Central Auditory Processing evaluations as well as tinnitus evaluations and TRT. All manufacturers are considered during hearing aid evaluations and fittings with selections based on client needs. Aural rehabilitation is our primary focus.

We currently have an opening for an audiologist to fill a part time or full time term position. The position becomes available in November/December. Audiological evaluations, hearing aid evaluations, hearing aid/assistive dispensing and rehabilitative counseling are the core responsibilities for the position.

Requirements:

Minimum of a Master's Degree in Audiology from a recognized accredited program

Canadian Certification (SAC) or equivalent

Strong diagnostic skills

Experience in fitting hearing aids

Experience in assessing and treating tinnitus

Excellent communication/counseling skills

Must be self directed and dedicated to patient care

Ability to build relationships and work well with a Team

Interested applicants can send an application, including cover letter, resume and 3 references to odiliamacdonald@marcohearing.com

Thank you for your interest. Only candidates selected for interviews will be contacted.
