

## Permanent Full Time Employment Opportunity Pediatric Audiologist

A diverse Pediatric Audiologist position is available with Cariboo Community Health Services in [Williams Lake, BC](#), offering a combination of clinical, supervisory and budgetary responsibilities.

This role performs within the Public Healthcare setting and provides clinical audiology services for the target population birth to 19 years of age; supervises two Audiometric Technicians; and provides consultative and educational services to other professionals and the community. This is a Sole Clinician position with a great deal of autonomy and ability to liaison with professionals within and outside the health authority. Enjoy the diversity of a client population that embraces Pediatrics, Indigenous Peoples, and Special Needs clients. Continue to build the working relationship with Cariboo-Chilcotin School District No. 27 and the Child Development Centre.

This position is eligible for our comprehensive benefits plan that includes coverage for basic Medical Services, Dental Services, and Extended Health. Hourly rates of pay are \$35.56 to \$44.36; to be determined by relative and recent prior work experience. Hours of work are Monday to Fridays (08:30 to 16:30 hours) with weekends and statutory holidays off. Occasional travel will be required and there may be requirement to work occasional evenings. An attractive relocation allowance will be offered to the successful candidate.

We are seeking a clinician who thrives in a sole charge role with ability to think and work independently while collaborating with a diverse group of people and staff. Join our team and build supervisory and clinical skills while living in a friendly, rural community!

### *Required Qualifications:*

- Graduation from a recognized Audiology program.
- One (1) years' recent, related clinical experience or an equivalent combination of education, training and experience.
- Current active registration with the College of Speech and Hearing Health Professionals of BC as both an Audiologist and a Hearing Instrument Practitioner.  
Current valid BC Driver's License.
