

SOUND ADVICE YOU CAN TRUST

## **Audiologist/Hearing Instrument Specialist- Greater Toronto Area (GTA)**

### **Who we are:**

Hearing Solutions is the largest Canadian independently owned hearing healthcare provider that offers comprehensive hearing assessments, hearing aid treatment options, and assisted listening devices, to help patients connect through conversations and laughter, with their loved ones.

Our team of professionals have been proudly helping patients enjoy the world of sound and life for over 20 years and are committed to providing sound advice that our patients can trust in a warm and caring environment.

Because of this, we hire individuals based not only on their expertise, but also their passion for helping others, and who live our core values - professional, proactive, passionate, perseverance, and partnership - each and every day. We are collectively committed to improving lives in a remarkable way!

### **About the opportunity:**

We are currently seeking an experienced AUDIOLOGIST/HEARING INSTRUMENT SPECIALIST for several of our GTA clinics.

As part of our organization, you will have an opportunity to learn and use the latest industry techniques and technology as well as be supported with continued professional education, training and growth.

As a dispensing Audiologist in private practice, you will have the satisfaction of maintaining patient relationships from the initial consultation to the successful resolution of their hearing challenges through counselling, dispensing of hearing aids and continued follow up care.

If you are a passionate and caring professional who is looking for a role where you can provide outstanding service to patients at various stages in their journey to better hearing, we would love to connect with you to share more about why a career at Hearing Solutions is right for you!

### **What you bring:**

You are a highly motivated, dynamic individual with excellent interpersonal skills. You thrive in an environment where you can take ownership of a clinic to drive results and infuse the clinic team with energy.

- Master's Degree in Audiology (or equivalent) or HIS Certification
- Licensed by CASLPO/AHIP as well as ADP
- Strong ability to communicate with patients and counsel to their specific needs
- Receptivity and adaptability to change
- Accountability and ownership; results oriented
- Ability to work independently and as part of team
- High initiative; creative contributor
- Prioritizing, planning and organization
- Multi-tasking with disciplined time management
- Analytical; attention to detail; follow through
- Proactive customer approach; patience/listening
- Persuasive negotiating skills to influence outcomes
- Professional written & verbal communication
- Dynamic presentation skills
- Experience is preferred; however, we are willing to invest into the right candidate
- Knowledgeable about WSIB, VAC, ODSP ADP and NIHB Procedures
- Sales acumen & ability to show value in customer service
- Proficiency in English - oral expression and comprehension – fluency in other languages considered an asset

### **Benefits & Compensation:**

A competitive total compensation package with an attractive base salary

Performance based bonus program

Comprehensive benefit plan including health, dental, RRSP program with company matching contributions, disability insurance, life insurance, etc.

Professional fee and licensing coverage

Succession planning and career advancement opportunities
