

TORONTO FAMILY HEARING

We're Hiring!

We are looking to hire an Audiologist to support our expanding practice of adult and pediatric patients. As a company providing full-service hearing aid and audiology services, we see patients of all ages and deliver a wide range of clinical services. Patient-centered care is our clinical philosophy. Everything we do at Toronto Family Hearing is built around ensuring a positive patient experience and building long-term relationships with those under our care.

The key to our success has been to make our patients feel comfortable at every touchpoint with our clinics and staff. Over the last seven years we have grown to two locations in downtown Toronto and built close relationships with family physicians, pediatricians, speech pathologists, and otolaryngologists who routinely refer their patients to us because of our unique practice philosophy and high standard of care.

The services we offer include:

- Hearing assessments for all ages (including infants)
- Hearing aid evaluations, prescriptions and dispensing with verification and validation
- Aural rehabilitation
- Testing for auditory processing delays/disorders
- ABR and OAE testing
- Counseling for those with hearing loss and their relatives
- Tinnitus evaluations, management and counseling

Prospective candidate should closely review the desired qualifications before applying:

- 2+ years of clinical experience is preferred (however, recent graduates are encouraged to apply as well)
- Experience with BOA, VRA, OAE, ABR, APD testing
- Experience with tinnitus evaluations/management/counseling
- Excellent patient relationship skills with a strong focus on patient-centered care
- A Masters and/or Doctoral Degree in Audiology from a recognized and accredited institution
- Strong IT/computer skills (including MS Office) with a familiarity of manufacturers' programming software
- Ability to obtain and maintain liability insurance, police clearance and approval to provide services to patients receiving third-party insurance (e.g., ADP, DVA, VAC, WSIB, etc.)
- A willingness to learn and adopt our unique clinical practices and build relationships with our patients and their families
- Excellent problem-solving skills and attention to detail
- The flexibility to see patients at both offices, off-site, some evenings and some Saturdays
- CASLPO registration in good standing
- Authorizer status with ADP (Assistive Devices Program)

What Toronto Family Hearing has to offer you:

- The opportunity to work for an independently owned clinic with a diverse population and a strong focus on patient care
- The opportunity to develop and enhance your audiological skills in a dynamic clinical environment
- A friendly and supportive work environment in two of Toronto's great neighborhoods
- A compensation and benefits package commensurate with experience

If this opportunity interests you, please submit your cover letter and resume to careers@torontofamilyhearing.com. We thank all those who apply, but only applicants selected for interviews will be contacted.
