Start Date: ASAP
End Date: 6 Months

CLOSING DATE: Until Filled

Audiologist Dartmouth

Hearing and Speech Nova Scotia (HSNS) provides audiology services to Nova Scotians of all ages, and speech-language pathology services to preschool children and adults. HSNS is funded by the NS Government to deliver integrated and standardized provincial services across 35 clinical sites, located in 25 communities. Nationally certified Audiologists and Speech-Language Pathologists, with support from Communication Disorder Technicians and Administrative Support Professionals, provide core services (prevention, diagnosis, and treatment), develop and monitor provincial clinical standards, and collaborate with partners to deliver a number of special programs (e.g., Autism, Stroke, Cochlear Implant). Established in 1963, HSNS works to prevent and reduce the impact of communication disorders for Nova Scotians.

We are proud to offer:

- ✓ A nationally accredited program with Accreditation Canada
- ✓ A Province-wide support network of professional colleagues, clinical resources, and coordinated clinical services
- ✓ Varied caseloads and work settings
- ✓ Salaries (full time) commensurate with experience [starting at \$75,143], and excellent benefits package
- ✓ Continuing education opportunities
- ✓ Opportunities for relocation and clinical specialization

We are accepting applications for a **temporary, part-time (0.6 FTE) position of Audiologist**. The Home Base Site is Dartmouth, Queen Square. The successful candidate reports to the assigned Manager. Schedule to be determined.

Requirements:

- Master's Degree in Audiology
- Nova Scotia College of Audiologists & Speech-Language Pathologists (NSCASLP) licensure or eligible for licensure
- Excellent communication skills, including proficiency in written and spoken English. If English is not your first language further documents will be required.
- Recent knowledge of discipline specific best practices in screening, diagnostic and rehabilitative audiologic services
- Recent experience with hearing aid verification and validation
- Knowledge of discipline specific best practices in assessment and early intervention of young children with developmental disabilities
- Demonstrated commitment to family-centered care
- Flexibility in work schedule to support outreach/parachute services
- Excellent interpersonal/organizational skills
- Candidate will have to demonstrate current immunization and/or boosters at the end of the probationary period
- Able to start immediately

Assets:

- Ability to provide bilingual clinical services
- Occupational Health & Safety training
