

Overview:

We are excited to share this opportunity to participate in Volume 8 of the 2021 [Canadian Audiologist](#) advertising and advertorials. **Canadian Audiologist** is the most read hearing health care journal in Canada and is available on-line, and free of charge to all those interested in hearing health care matters.

The Journal includes regular columns and features including clinical, research, consumer, and industry topics on hearing health, technology, patient focused care, and vestibular health. Dr. Marshall Chasin (Editor-in-Chief) and Dr. Steve Aiken (Associate Editor) consistently attract industry leaders to write on fresh and hot topics. Weekly updates of news and events keep the site lively, so readers return often.

Distribution, Frequency, Target Audience and Technical Format of Publication:

This online journal is published 6 times a year and is available free to charge with announcements to Audiologists, Hearing Instrument Practitioners, Researchers, Educators and Otolaryngologists across Canada. References and links to the journal are made on the website and in the CAA weekly newsletter.

Subscriber lists have grown to a distribution of well over 2,000 readers and continue to expand. The distribution list is continually growing through referrals and invitations to subscribe free by related organizations, publishers, associations, and websites. The Journal is readable on most desktop, laptop browser and tablet formats.

Canadian Audiologist Online Journal Site

See the current issue with links to all previous issues: www.CanadianAudiologist.ca. The journal is interactive so click on the icons for information; ad clicks will take you to company websites.
