

Canadian Hearing Services (CHS) has openings for Audiologist at our **Kingston (Full-Time position), Ottawa (Full-Time position) and Hamilton (Part-Time position)** locations.

When you join CHS, you are joining the largest organization of its kind in Canada and a community with 80 years of making a difference in the lives of people who are Deaf or hard-of-hearing. CHS programs, products and partnerships are aligned with our commitment to breaking down communication barriers, advancing hearing health, and promoting equity for our clients. Our ideal candidate will be a champion for person centered care; a leader in best practices; and a model for providing only the best experience possible for the people we serve.

Qualifications:

- Masters or Doctorate degree in Audiology
- Registration with the College of Audiologists and Speech-Language Pathologists of Ontario (CASLPO)
- Authorizer with Assistive Devices Program (ADP) of Ontario
- 3-5 years of experience
- Strong clinical and hearing instrument dispensing background
- Able to manage a varied workload with competing priorities and deadlines
- Excellent communication and interpersonal skills
- Works well in an inter-collaborative environment

We offer:

- Competitive salary and benefits package
- Paid CASLPO registration fees
- Professional development
- An opportunity to make a real difference!
- A knowledgeable, high-achieving, experienced and fun team!
