

# **Maico Hearing Service**

We care about the way you hear.

**Position:** Audiologists or Hearing Instrument Specialists  
(permanent, full-time and maternity leave replacement positions)

**Location:** Positions available in Gander and Grand Falls-Windsor, NL

**Maico Hearing Service** is a full-service hearing health care clinic that provides audiology services through locations in St. John's, Gander, Grand Falls-Windsor and Corner Brook in the beautiful province of Newfoundland and Labrador. We pride ourselves in providing exceptional hearing health care to our patients and a very supportive work environment for our team members, which encourages personal, professional and financial growth. We are currently seeking permanent, full-time clinicians and a temporary, maternity leave replacement clinician to add to our dynamic team of professionals. The successful applicants will receive a competitive salary, health and dental benefits and mentorship support for new/recent graduates. We also understand how daunting it is to graduate with a mountain of student loan debt. As an incentive, the practice is willing to contribute toward paying off your student loans.

**Main Responsibilities** - The successful candidates will be responsible for a variety of clinical duties including pure tone and speech audiometry; immittance; impression taking; cerumen management; selection and prescription of hearing aids; hearing aid verification and validation; patient counseling; and other related duties as required.

**Requirements** - A Master's Degree in Audiology or completion of an HIS Program; excellent written & oral communication skills; and the ability to work well independently and as part of a team.

**About the Area** - The town of Gander is known for its culture, scenery, and outdoor activities. It is also known for being a safe, friendly community which offers:

- Fine Dining
- Cross-Country Skiing
- White Water Rafting
- Hiking
- Walking/Running Trails
- Snowmobile trails
- Golfing
- Theatre
- Boating Marinas
- An International Airport
- Shopping
- Live Entertainment
