

Broadmead/Oak Bay Hearing Clinic

Victoria, BC

www.broadmeadhearing.com

Broadmead Hearing Clinic is located in beautiful Victoria BC. We are a team of 5 Audiologists that work between two clinic locations within the city. We are seeking a new Audiologist to join our dynamic team.

Who are you:

- Licensed to practice Audiology in BC.
- You love Audiology and you feel proud of the help you provide to people each day.
- You are looking to work alongside other experienced Audiologists and love to share information to help troubleshoot difficult cases.
- You are looking for a long term position.

Why you should apply:

Oak Bay and Broadmead Hearing Clinics have no manufacturer ownership stake. We are completely independent hearing aid dispensing clinic and use all of the hearing aid manufactures for different reasons. There are five Audiologists that work as a team and share information to help each other. We do diagnostic hearing evaluations, hearing aid fittings and follow ups, cerumen removal, and are beginning some APD testing services. We offer a competitive salary, benefits and best of all an amazing and very supportive team environment. We would love to have you join our team.

If you are interested in applying, please send your resume and cover letter to Erin Wright at erin@broadmeadhearing.com. You can also call 250-479-2921 for more information.
