

# TORONTO FAMILY HEARING

**Start 2022 off right by joining the Toronto Family Hearing team!**

We are looking for an Audiologist for our growing practice of adult and pediatric patients. Toronto Family Hearing is a full-service hearing aid and audiology clinic. This means we see patients of all ages and provide a wide range of clinical services. If you are a passionate Audiologist who wants to work within your full clinical skillset, this is the opportunity for you. We know that many clinical positions at large chains become routine. At Toronto Family Hearing you will get to put your education to work by taking on a wide variety of clinical tasks.

What's it like to work for Toronto Family Hearing? We are an energetic group of clinical and support staff that love what we do. As the [top-rated](#) clinic in Toronto, the key to our success has been to make our patients feel heard and engaged at every point. Over the last 8 years we have built close relationships with family physicians, pediatricians and otolaryngologists who routinely refer their patients to us because of our unique practice philosophy and high standard of care. Many patients travel to us from outside Toronto in search of higher quality care.

If you are interested in joining the Toronto Family Hearing team, these are the ideal qualifications:

- 2+ years of clinical experience (recent graduates with exceptional interpersonal skills and a desire to learn are encouraged to apply).
- Experience with wax management, BOA, VRA, OAE, ABR, APD testing, tinnitus evaluations/management/counseling (those without experience but a desire to learn are encouraged to apply).
- A Masters and/or Doctoral Degree in Audiology from a recognized and accredited institution and a strong desire to work independently within the full breadth of your education.
- Familiarity of MS Office and manufacturers' programming software.
- Ability to obtain and maintain liability insurance, police clearance and approval to provide services to patients receiving third-party insurance (e.g., ADP, DVA, VAC, WSIB)
- A willingness to learn and adopt our unique clinical practices.
- Excellent patient relationship and communication skills, and a knack for problem-solving.
- CASLPO registration

So you're interested, but what does Toronto Family Hearing have to offer you?

- The opportunity to work independently in a clinic with a diverse population and a strong focus on patient care.
- The opportunity to develop and enhance your audiological skills in a dynamic clinical environment.
- A friendly and flexible work environment with wonderful colleagues at bustling Yonge/St. Clair.
- An excellent compensation and benefits package.

Please send a cover letter and resume to [careers@torontofamilyhearing.com](mailto:careers@torontofamilyhearing.com). Recent graduates should include transcripts with their application. We thank all those who apply, but only certain applicants will be contacted for interviews. We encourage all applicants to review our [web-site](#) and [patient feedback](#) to see what sets Toronto Family Hearing apart.
