At a high level, you will:

- Follow the dispensing and Retail Audiology process as outlined in the RSOP (Required Standards of Practice) Manual
- Provide an exceptional client experience, focused on client counseling, product education and recommendation, orientation, and troubleshooting
- Conduct verbal and written correspondence related to client care with clients, their families, physicians, team members, and third party payees
- Make a difference in the lives of your clients

We Value You – And All That You Can Become

We'd love to hear from you if:

- You think critically, creatively, and strategically when establishing customer needs and developing solutions
- You are confident selling a solution you believe in, and want to make a difference in peoples lives
- You thrive in a team environment, and believe the whole is greater than the sum of its parts
- You love to learn. You have a growth mindset and are passionate about growing your knowledge and skills, being the best you can be

- Your values align with those of Connect Hearing, allowing you to bring your true self to work every day
- You have a "Can-Do" attitude and approach, and a willingness to go the extra mile to ensure client satisfaction and clinic success

It would be an added bonus if:

- HIP/HIS or Audiologist (M.Sc. or Au.D) designation in Canada
- You have a high level of entrepreneurial spirit
