

We are a locally owned and operated private hearing aid clinic with 2 locations; one of which is a well-known Hearing and Vision Clinic. We have been successfully operating since 2005. We are seeking an individual who will fit in with our positive working atmosphere and client centred approach.

- Full or part time Audiologist or HIS
- Competitive salary based on experience
- Flexible work hours
- Paid vacation
- Must be willing to work in both locations (Oshawa & Bowmanville)
- Must enjoy working with people and genuinely make decisions with and for the best interest of the client
- Experience in collecting relevant case history, performing accurate standardized hearing elevations, recommending and fitting hearing aids, REM testing, take ear impressions and remove wax when necessary
- Strong clinical and counselling skills, excellent written and verbal communication is imperative
- Professionally maintain current rapport with local physicians by providing detailed and accurate information on the clients hearing prescription
- Current registration in good standing with CASLPO/AHIP
- ADP Authorizer
